**This is a list of those missionaries up for adoption this year.
 Please choose a missionary/missionaries above and list on form on back.
 Thank you for helping our missionaries know they are loved and in our thoughts and prayers!**

The Adoption Program brings our Women's Department together with World and U.S. missionaries.

"Women of Purpose...real women, real life, real purpose!"

Please find it in your heart to be a blessing all year long to of the missionaries listed above.

When adopting a missionary, your group accepts responsibility to honor special occasions (birthdays, special holidays, and Anniversaries) by sending gifts and cards when able. It is our special responsibility to pray and correspond often.

Please complete and mail this form if you would like to adopt a missionary for the first time **or if you would like to continue a current adoption**. When you adopt a missionary **it is for ONE year**. An adoption certificate will be emailed to the coordinator.
