

Choose to Challenge

For International Women’s Month 2021, Thrivent invites you to join us for a special one-night event.

From challenge comes change, and our guest speaker Maria Durso has experienced that first hand. Having come from a childhood devastated by loss and abuse, she grew up thinking she could mask her pain with drugs. Her lifestyle could have left her hopeless and alone—yet God kept and preserved Maria’s life.

Understanding firsthand what the effects of abandonment, loneliness and rejection are, Maria now ministers to those whose hurt lies deep in the heart and works to minister to those who need hope. Armed with discernment and insight into the true character of God, honest about her own experience and down to earth, Maria is an intercessor, teacher and powerful speaker.

Through her challenges, she not only changed her own life, but is changing the lives of many all around her. Maria has a powerful life story you don’t want to miss hearing.
