

**S.I.S.
SCHOLARSHIP FOR
INTERNATIONAL STUDENTS
ANISA ZHUPANI**

Anisa Zhupani, single, is a third year student majoring in Biblical Studies in Albania. She already serves in her local church by ministering in children's church and other practical ways. We will now sponsor her last 2 years of school and spread the Word of God through her!

**CONVOY OF HOPE
WOMEN'S EMPOWERMENT**

Convoy of Hope encourages women around the world to realize their value and potential through job training and education. As a result, many now own a business and feed and care for their children.

Since Convoy of Hope's Women's Empowerment Initiative launched, thousands of women and girls have participated in their Micro+, Mother's Clubs and Empowered Girls programs. Women receive startup capital for income-generating activities, allowing them to break the cycle of poverty.

DARE TO DREAM

Last year's Dare to Dream was one of the most amazing outreaches ever! To see the faces of the moms as they were pampered, choosing clothing, and leaving with information from the breakouts to empower them as parents and as women in the world at large.
