# 2020 Women's Ministry Evaluation

Date \_\_\_\_\_ Church \_\_\_\_\_

Person completing \_\_\_\_\_ Email address \_\_\_\_\_

The evaluation is an account of **Women's Ministries giving** from which local, Network, and national statistics are compiled. The General Council of the Assemblies of God has a system of Total Giving. Giving by Women's Ministries (both *Cash Given* and *Cash Spent*) is included in the total church and Network (district) giving. Consistent reporting is necessary.

**Please do not duplicate information.** For example, if you reported last quarter giving to a US Missionary and did not give this quarter please do not list it again. These reports are compiled at the end of the year.

**It is important that the information listed is NOT the giving from the church but ONLY the giving from Women's Ministry.**

Please answer the following if your **Women's Group**:
