

# Breakouts

Rev. Brittany Bolduc  
Zone 225 (downstairs)

Talent is everywhere. Athletes, artists, singers, with technology at our fingertips we have unlimited access to watch the best of the best at anything you can possibly think of. It's so easy to fall into the trap of comparison. 1 Corinthians 12:14-18 says "Yes, the body has many different parts, not just one part. If the foot says, "I am not a part of the body because I am not a hand," that does not make it any less a part of the body. And if the ear says, "I am not part of the body because I am not an eye," would that make it any less a part of the body? If the whole body were an eye, how would you hear? Or if your whole body were an ear, how would you smell anything? But our bodies have many parts, and God has put each part just where he wants it." Our talent is different from the people around us, but not less important! Join us for Untapped. In this breakout session you will be given the tools to discover, develop and deploy the talents God designed you with and the purpose He designed you for.

In the business of life, we can sometimes feel empty because we pour out our time and energy into family, church or work. In this breakout session we will look at how our heart motivation can either leave us on "empty" or perfectly position us for a "pouring out" of the Holy Spirit in our lives. God promises us in Romans 5:5; "Such hope [in God's promises] never disappoints us, because God's love has been abundantly poured out within our hearts through the Holy Spirit who was given to us." We may feel that we are but a mere "drop" in the bucket so to speak, but once we receive and are overflowing, we can learn to walk in that anointing and spread it to those around us. Are you willing to give and be poured out? Not seeking to be ministered to, but to minister? Learn to pour yourself out in His Presence and then generously give of your time, talent and treasure for His Glory!

When someone loses a lot of weight everyone asks "How did you do it?" The answers are varied but always involve willpower and some type of kale! When someone loses their desire for revenge we ask the same question "How did you do it?" Also, How did you go from bitter to joyful? How did you know the direction you were supposed to take with your life? How did you walk through that huge trial? The Bible answers those questions and says "Call to me and I will show you great and mighty things that you do not know." (Jer. 33:3) During this breakout session we will talk about practical ways to immerse yourself in God's Word. Let's talk about going all in with reading the Bible! Immersion is not just sprinkling... it's the deep end of the pool! No matter how long you have been serving Jesus he always beckons... Come Closer, I have more!

What words would you use to describe your current experience as a Christian? Growing. Frustrated. Disappointing. Fulfilled. Forgiven. Joyful. Mediocre. So-so? Do you desire more? Jesus said "I have come that they might have life and that they might have it more abundantly." John 10:10 How can we have life that is abundant? What does it mean to be filled with the Spirit? How are we led by the Spirit and is it possible for us to quench (or dry out) the Spirit? What does Spirit filled living look like? To be constantly filled with the Holy Spirit results in victory over sin, peace and joy in the heart, and submission/humility towards others. But in order to be filled with the Spirit, we must ask God to have the Holy Spirit take control of us — "fill us" - just as the apostle Paul prayed for the Ephesians.
